Nodding emphatically, the mother superior points to a hot dog vendor and they both walk towards the cart. "Two dogs, please," says one.

The vendor is too pleased to oblige, wraps both hot dogs in foil, and hands them over the counter. Excited, the nuns hurry to a bench and begin to un-wrap their 'dogs'. The mother superior begins to blush and, then, staring at it for a moment, leans to the other nun and whispers cautiously, "What part... did you get...?"

After thirty minutes, he decides to do something. He backs very slowly and tentatively to the wall and feels around for a light switch. He switches on the light and there in front of him, sit a cockatoo in a cage, who says, "I can see you, and so can Jesus".

Greatly relieved, the burglar sighs, "It's just a cocky". The cocky looks at the burglar and says, "I might be just a cocky but Jesus is a big German Shepherd".

The doctor nodded, stood back, looked him up and down, quickly wrote out a prescription, handed it to him, and said, "There you are. ...Of course, if \*that\* does not work, we'll have to have you put down."
